Cloud Dough

WHAT WILL YOU SCULPT?

What is cloud dough?

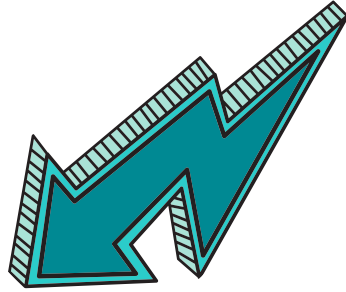

It's a sculpting dough similar to Model Magic!

This dough can be played with over and over or it can be sculpted into something creative and left to air dry.

What you'll need:

- CORNSTARCH
- CONDITIONER OR LOTION
- MIXING BOWL
- SPOON
- MEASURING CUPS
- FOOD COLORING
- AIR-TIGHT BAGS (for storage after)

CAUTION
Parents,

WHILE THIS RECIPE IS
NON-TOXIC, IT
SHOULD NOT BE
INGESTED!

**Cloud dough is a
treat for your eyes,
not your mouth!**

Before you start:

Think about how many colors you want to make! You will either need to make several batches or divide your ingredients into smaller batches.

Color Mixing:

YELLOW  O 2 Y 10	RED  R 36	GREEN  B 2 Y 16	PURPLE  P 20 B 2
ORANGE  O 16 R 2 Y 16	BLUE  B 40	PINK  R 10 P 6	TEAL  B 8 Y 2

 = number of drops of color to create desired shade

STEP 1

Measure out ingredients
and put aside separately.

1/4 CUP

of conditioner or lotion

1/2 CUP

of cornstarch

Remember, your cloud
dough will smell like your
conditioner. Use your
favorite scent!

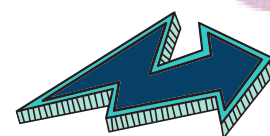

WET INGREDIENTS FIRST!

STEP 2

Add conditioner to a bowl. Then, stir in a few drops of food coloring to dye your batch the desired color.

If you don't have food color, don't worry! You can color it with markers after kneading!

DRY INGREDIENTS NEXT!

STEP 3

Using your spoon, mix your cornstarch in with the wet ingredients. Stir until thick or crumbly!

STEP 4

Knead the dough with your hands until it feels **LIGHT** and **FLUFFY**!

if it's too crumbly, add a little more conditioner
if it's too goeey, add a little more cornstarch

For endless play,
store in an air-
tight container!

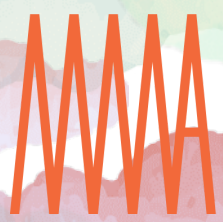

Play!
